Personal details:

I am a HR professional with over 16 years' experience in this field. I have a range of skills and knowledge from immigration law to recruitment and have worked in various industries. I currently work at Virgin Money as the People Services Manager and it is my job to ensure that all colleagues have a positive experience at work. This means my focus is to be fair to everyone and to look for the win/win in all that I do. I work for company that puts people at the heart of everything I do and I actively support our local communities. I am hoping I can bring a fresh perspective from a modern business angle to help support the Trust and its local communities.
