

ASCENT ACADEMIES' TRUST

Trustee Profile

Name: Kelly Lawton

Type of Trustee: Parent Appointed

Personal details:

I am interested in being appointed as a Parent Trustee as I have a son who has recently become a pupil at Barbara Priestman Academy and therefore I have a vested interest in his education which has led to me becoming interested at a wider level. I was a parent trustee at my son's previous primary school, North View Academy, and enjoyed playing an active part as a governor.

In terms of background I am currently a HR manager for BT where I work as specialist, advising on areas of performance, discipline, grievance and attendance. However the main bulk of my work at the moment is the running and overseeing of redundancy programmes. I also have a background as a generalist HR manager so I have experience in most areas of human resources.

Key Skill area:

Human Resources

Trustee Responsibilities:

To be arranged
